

June 11, 1943, letter from John Langenegger to Dr. Willis James

June 11, 1943 Dr. Willis James The Fort Valley State College Fort Valley, Georgia

Dear Dr. James:

Enclosed are two needles. Please return the others immediately for resharpener. I trust you will have no trouble with them. Let me know what your recording plans are.

With best wishes,

Sincerely yours, John Langenegger Chief Engineer Recording Laboratory
